Noida, Uttar Pradesh, India | 7634945904 | rajsaurav7585@gmail.com

Portfolio: bravix.netlify.app | LinkedIn: linkedin.com/in/SauravRaj | GitHub: github.com/saurav780

PROFESSIONAL SUMMARY

Performance-driven Frontend Web Developer and UI/UX Designer with 3+ years of experience building responsive, conversion-focused websites and eCommerce storefronts. Proficient in HTML5, CSS3, JavaScript, PHP, WordPress, and Shopify Liquid, with hands-on experience across the full project lifecycle — from wireframing and prototyping in Figma to development, technical SEO, and Core Web Vitals optimization. Delivered high-performing digital experiences for fashion, wellness, and corporate brands, combining clean code with user-centered design to drive measurable business results.

TECHNICAL SKILLS

Web Development: HTML5, CSS3, JavaScript, PHP, Bootstrap, Tailwind CSS, Responsive Web Design

CMS & eCommerce: WordPress (Theme & Plugin Customization), Shopify (Liquid, Store 2.0), ClickFunnels, Wix Website Builder

UI/UX Design: Figma, Canva, Wireframing, Prototyping, Usability Testing, Typography

Performance & SEO: Technical SEO, Core Web Vitals, Web Accessibility, Cross-Browser Compatibility, Web Performance Optimization

Tools: Git & GitHub, SQL, UI Automation, Problem Solving

PROFESSIONAL EXPERIENCE

Website Developer — Ads Conversions

Noida, Uttar Pradesh | September 2024 – Present

- Lead end-to-end development and deployment of company and client websites, including AdsConversions.com
- Develop and maintain Shopify eCommerce stores — HayesLondon.com and BueatBySterling.com — using custom Liquid coding and conversion-focused optimization
- Built Tradeboticks.com on WordPress with secure integrations, high SEO compliance, and user-centric design
- Improve website speed and performance metrics through code optimization and best practices
- Collaborate with marketing teams to implement technical SEO strategies and analytics tracking

Web Developer (Self-Employed) — Freelance Projects

Noida, Uttar Pradesh | July 2024 – September 2024

- Designed and developed responsive, mobile-first websites using HTML, CSS, JavaScript, PHP, and WordPress
- Managed complete project lifecycles, from requirements gathering and prototyping to testing and deployment
- Delivered visually engaging, user-friendly websites with a strong emphasis on conversion and SEO

UI Designer — Dream Reflection Media

Noida, Uttar Pradesh | June 2023 – June 2024

- Designed wireframes, mockups, and prototypes in Figma and Canva for web and mobile projects
- Conducted usability testing and implemented design improvements based on real user feedback
- Partnered with developers to ensure pixel-perfect design execution and responsive layouts

SELECTED PROJECTS

- Hayes London — Shopify, Liquid, JavaScript. Rebuilt the storefront with custom Liquid sections and optimized mobile performance. hayeslondon.com
- Ameyru — Shopify, Bootstrap, Liquid. Restructured a dense product catalog into an intuitive, high-converting browsing flow. ameyru.com
- NicheCrafts — Shopify, Liquid, JavaScript. Deployed a corporate identity site to build brand credibility and drive B2B leads. nichecrafts.co
- Unnati Ayurveda — WordPress, UX, Accessibility. Built a trust-focused, accessible wellness eCommerce experience. unnatiayurveda-uae.com

CERTIFICATIONS

- Java Fundamentals — IBM
- Cisco Packet Tracer Certificate — Network Design & Topology
